CALL FOR PAPERS

The 24th International Conference on Electronics, Information, and Communication (ICEIC 2025) is a forum open to all the participants who are willing to broaden professional contacts and to discuss the state-of-the-art technical topics.

Regular sessions of ICEIC 2025 will include more than 400 oral and poster presentations. In addition, the conference will offer special sessions, invited talks, keynote speeches, and tutorials to cover a broad spectrum of topics on electronics, information, and communication technologies.

Plenary Speakers
- Jong-Ho Lee (Professor / Former Minister of Science and ICT) Seoul National University
- Joo-Ho Lee (Professor) Ritsumeikan University

Tutorial Speakers
- TOMIOKA Yoichi (Professor) The University of Aizu
- Minkyu Je (Professor) KAIST
- Jian Zhao (Professor) School of Electronic Science and Engineering at Nanjing University
- Jinkyu Kim (Professor) Korea University
- Min-Seong Choo (Professor) Hanyang University
- Sung In Cho (Professor) Dongguk University

Invited Talk Speakers
- Jun Jin Kong (Master) Samsung Electronics

TOPIC

Communications
Communication & Information Theories, Communication Networks & Systems, Microwave & Optics, Switching and Routing, Microwave, Antennas and Propagation, Intelligent Transportation System (ITS), Wireless PAN/BAN, Future Networks

Semiconductor and Devices
Analog/Digital Circuits & Systems, RF Integrated Circuits, ComputerAided Design & Modeling, SoC Design & Applications, Semiconductors, Materials and Components, Lightwave and Quantum Electronics, PCB & Packaging, Solar Cell & Semiconductor Devices

Computer and Information
Computer Systems & Applications, Software for Smart Systems, Human Computer Interaction (HCI), Convergence Computing, Multimedia, Graphics, Ubiquitous System, Information Security, Artificial Intelligence, Neural Networks, Machine Learning

Signal Processing
Computer Vision, Digital Signal Processing, Digital Image/Video Processing, Audio, Speech & Acoustic Signal Processing

System and Control
Vehicular Electronics, Instrumentation and Control, Power Electronics & Circuits

Emerging Technologies
Biomedical Electronics and Bioengineering, Bio-electronics, ITConvergence, Renewable Energy, Car & Aviation IT

IMPORTANT DATES
- Submission of Paper : October 27, 2024 (Final Extension)
- Notification of Acceptance : November 11, 2024
- Submission of Camera-Ready Paper : November 25, 2024
